1. Project Overview

Client	Mbuso Mthembu — Ktwoo Visuals
Developer	Peacemaker Dev (Mlamuli Biyela)
Project Type	Business website and portfolio
Tech Stack	HTML, CSS, JavaScript
Deadline	1 month from project start date

The Ktwoo Visuals website will serve as both a professional business website and a visual portfolio. It will showcase Ktwoo Visuals' work, present all service packages in a structured and premium format, and allow potential clients to submit booking inquiries directly through the site. The overall design will follow a minimal, cinematic, and premium aesthetic aligned with the existing Ktwoo Visuals brand identity.

2. Design System

Element	Value
PrimaryColor	Black— #000000
Secondary Color	Off-white / Cream — #F5F0E8
Accent Color	Gold — #C9A84C (premium highlights)
Typography	Montserrat — Bold/Black weight for headings, Regular for body text
Visual Style	Minimal, cinematic, premium — generous white space and full-bleed imagery throughout
Logo	Provided by client — white KV monogram on black background

3. Site Structure

The website will consist of 11 pages total:

Main Pages

- Home
- About
- Services (Overview)
- Contact

Service Pages

- Matric Dance

8. Build Timeline

Week	Focus	Tasks
	Foundation	Projectsetup, design system, Home page, About page
Week2	Core Pages	Servicesoverview page, Matric Dance page (used as template for all service pages)
Week3	Service Pages	Photography, Videography, Graduation Shoot, Photoshoot, Kid's Shoot, Music Videos (placeholder)
Week 4	Launch Prep	Contact page, EmailJS booking form integration, cross-device testing, SEO basics, launch

9. Outstanding Items from Client

The following information is still required from Mbuso before or during the build:

- Tagline / slogan for the brand
- Personal bio, story, and creative journey for the About page
- Brand philosophy and what makes Ktwoo Visuals different
- Areas and regions Ktwoo Visuals serves
- Email address for booking inquiries (for EmailJS integration)
- Social media handles and active platforms
- Personal photo for the About page
- Media content — photos and videos for each service showcase (8–12 images per service)
- Client testimonials for the Home and About pages
- FAQ content for the Services overview, individual service pages, and Contact page
- Business operating hours (optional — for Contact page)
- Music Videos package details (Premium, Standard, Basic)
- Domain name — domain registration requires purchase (e.g. ktwoovisuals.co.za)
- Hosting — hosting setup requires assistance; to be arranged before launch

10. Important Notes

- All prices displayed on the website will be starting-from prices as confirmed by the client.
- Transportation, accommodation, and studio booking costs are excluded from all packages and will be charged separately depending on location. This notice will appear on the Services page and all individual service pages.
- Booking is confirmed only after deposit payment. This notice will appear across all package sections and the Contact page.
- The Music Videos service page will go live at launch as a placeholder and will be updated once package details are confirmed by the client.
- Domain registration requires purchase — this cost is excluded from the developer's scope and will be arranged separately.
- Website hosting requires assistance from Peacemaker Dev — hosting setup will be coordinated before launch and hosting costs are excluded from the development quotation.
- Any additional services added in the future — such as corporate events or brand shoots — can be incorporated after launch using the existing service page template.

11. Developer Scope, Deliverables & Quotation

Scope Exclusions

The following are excluded from this project unless separately agreed upon in writing:

- Domain registration costs — domain purchase required and excluded from development fee
- Website hosting costs — hosting setup will be assisted but hosting fees are excluded
- Photography, videography, or any media content creation
- Copywriting or content writing services
- New features or functionality additions after project completion

- Paid third-party services, plugins, or subscriptions
- Advanced backend systems or client-facing dashboards

Post-Launch Maintenance

Peacemaker Dev will provide 3 months of complimentary maintenance support following the website launch. This includes:

- Bug fixes and technical issue resolution
- Minor content updates as requested by the client
- Performance and compatibility checks

The complimentary maintenance period does not include the addition of new pages, new features, structural redesigns, or any functionality outside the original approved scope. Any such requests will be quoted and treated as a separate engagement.

Project Quotation

Item	Detail
TotalProject Cost	R 3 500
Deposit (50%) — Due Before Development Begins	R 1 750
Remaining Balance (50%) — Paid in Installments	To be agreed upon by both parties before development begins
Final Installment Due	Before final deployment and source code handover
Payment Methods	To be agreed upon by both parties before development begins

Payment Terms

- A 50% deposit of the total project cost is required before development commences.
- The remaining 50% balance will be paid in installments as agreed upon by both parties prior to development starting.
- Deposits are non-refundable once development has commenced.
- Late or outstanding payments may result in project delays or temporary suspension of work.

Revision Policy

This project includes up to two rounds of revisions per page. Revisions are defined as reasonable adjustments to existing design or content within the approved scope. Structural redesigns, new feature requests, or changes outside the approved scope will be quoted separately and may affect the project timeline.

Intellectual Property

Full ownership of the completed website and all associated source code transfers to Ktwoo Visuals upon receipt of final payment. Prior to full payment, all work remains the intellectual property of Peacemaker Dev.

Peacemaker Dev reserves the right to feature the completed project in its portfolio and professional references unless otherwise agreed upon in writing by both parties.

Project Suspension & Abandonment

Projects inactive for more than 30 consecutive days due to lack of client communication, delayed feedback, or outstanding content delivery may be suspended or terminated at the discretion of Peacemaker Dev. Resumption of suspended projects may be subject to timeline adjustments or additional charges.

12. Terms & Conditions

- Any functionality or features requested beyond the agreed scope will require a separate quotation and written approval before implementation.
- Project timelines are contingent on timely communication and prompt delivery of all required content from the client.
- Peacemaker Dev is not liable for website downtime, hosting interruptions, or failures of third-party services following deployment.
- Final testing and client sign-off will be completed prior to deployment or handover.
- The 3-month complimentary maintenance period covers bug fixes and minor content updates only. It does not cover new features, additional pages, or structural changes.
- Domain registration and hosting are the financial responsibility of the client. Peacemaker Dev will assist with setup but is not liable for third-party domain or hosting provider issues.
- Installment payment amounts and dates must be agreed upon in writing by both parties before development begins.
- Any updates, maintenance, or redesign work requested after the complimentary maintenance period will be treated as a separate engagement.

13. Approval & Sign-off

By signing below, both parties confirm that they have read, understood, and agreed to the full contents of this project brief, including the scope, deliverables, quotation, and terms outlined above.
